

## SolarInvert Energy Solutions

# Seychelles wind power storage

## Overview

---

The battery helps stabilize the electricity grid/ network and compensate for the fluctuations in the energy output, in view of the unpredictable nature of the wind and sun (renewable energy source). The Battery Energy Storage System is located at Roche Caiman.

## Seychelles wind power storage

---

### Masdar to build solar power plant with battery storage ...

Masdar, Abu Dhabi Future Energy Company, will help the PUC in building a 5MW solar (PV) power plant with battery storage in Seychelles.
