

SolarInvert Energy Solutions

Sino-European Container Energy Storage Equipment Manufacturing Company

Overview

Who is Sinotech energy?

SINOTECH ENERGY core technical team possesses extensive industry experience in cryogenic liquid systems, shipping, and clean energy. They hold the exclusive domestic intellectual property rights to the "membrane containment system," a new type of onshore/maritime membrane containment system.

Who is Sinopec Engineering Corporation?

Based on the advanced and unique membrane containment system technology and the success of the liquid hydrogen test cabin, the company has established exclusive cooperation relationships with China Petroleum Pipeline Bureau and Sinopec Engineering Corporation in the LNG and liquid hydrogen fields, solidifying its industry-leading position.

Who makes ISO tank containers?

Since 2004, CIMC remains the world's first place in the production and sales volume of ISO tank containers; it also takes the leading position in the nuclear electrical field in China.
