

## SolarInvert Energy Solutions

# Sodium-ion pack battery

## Overview

---

Companies around the world have been working to develop commercially viable sodium-ion batteries. A 2-hour 5MW/10MWh was installed in China in 2023. Australia's Altech is building a 120 MWh plant in Germany. Altris AB was founded by Associate Professor Reza Younesi, his former PhD.

## Sodium-ion pack battery

### Toyota hybrid battery upgrade pack - NexPower Energy

NexPower's advanced sodium-ion hybrid battery modules replace the traditional nickel metal hydride modules thus elevating the performance of your hybrid vehicle. If you are experiencing ...
