

SolarInvert Energy Solutions

South Africa Home Inverter Agent

Overview

Which inverter systems are available in South Africa?

PHD has the widest range of Inverter systems in south africa, and the southern african region, we have both pure and modified sinewave inverter systems, with and with out battery chargers. We offer Victron Range aswell as the state of the are super home (ST2X) range and the Studer range of inverters directly from Studer Switzerland.

Why should you choose a home inverter?

Choose from a variety of models to suit your needs and ensure uninterrupted power supply for your electrical appliances. Our Home Inverters are reliable, durable, and easy to install, making them the perfect choice for any homeowner looking to upgrade their power system.

Which Inverter should I buy?

For example, the Mecer inverter is a popular choice among homeowners seeking reliable solutions. If you're looking for an inverter on sale, consider the inverter power inverter market. Many brands offer competitive prices for inverters, such as the Sunsynk 8kW hybrid inverter. Prices of inverter models vary, so it's beneficial to shop around.
