

SolarInvert Energy Solutions

String type 300kw inverter

Overview

What is a CPS 3 phase string inverter?

The 100 & 125kW (111 & 132kVA) medium power CPS three phase string inverters are designed for ground mount and carport applications at 1500Vdc. The units are high performance, advanced and reliable inverters designed specifically for the North American environment and grid.

What is a CPS string inverter?

Utility String Inverters 350kW, 1500Vdc String Inverter for North America The 350kW high power CPS three-phase string inverters are designed for ground-mount applications. The units are high performance, advanced and reliable inverters designed specifically for the North American environment and grid.

Are multi-MPPT string inverters safe?

Guess you want to find it. Multi-mppt string inverters from Sungrow, sg350hx, are proven safe for 24h real-time AC and DC insulation monitoring and reach a high yield of 99% at a low cost.

What makes Wolfspeed crd300da12e-xm3 a good inverter?

This design features: Specifications Wolfspeed's CRD300DA12E-XM3 300kW Three-Phase Inverter demonstrates best-in-class system-level power density and efficiency obtained by using our Silicon Carbide (SiC) MOSFET XM3 power module platform.

What is a CPS 200 kW 480 V three-phase string inverter?

High efficiency at 98.83% peak and 98.4% CEC, wide operating voltages, broad temperature ranges, and a NEMA Type 4X enclosure enable this inverter platform to operate at high performance across many applications. The new CPS 200 kW-480 V three-phase string inverters are designed for ground mount applications.

What is a CPS 100/125kw inverter?

High efficiency at 99.1% peak and 98.5% CEC, wide operating voltages, broad temperature ranges and a NEMA Type 4X enclosure enable this inverter platform to operate at high performance across many applications. The CPS 100/125kW inverters ship with either the standard or “centralized” wire-box.

String type 300kw inverter

350kW, 1500Vdc String Inverter

The 350kW high power CPS three-phase string inverters are designed for ground-mount applications. The units are high performance, advanced and reliable inverters designed ...
