

SolarInvert Energy Solutions

Swiss photovoltaic inverter manufacturers

Overview

Who makes Swiss solar modules?

SSWISS GROUP AG manufactures high-quality solar modules and is leading and globally active technology company. SWISS solar modules are engineered in Switzerland and meet the highest quality standards . As an internationally recognized premium brand.

Who makes solar inverters?

Following SMA in the pecking order is Kaco New Energy, also one of world's largest manufacturers of solar inverters globally. Headquartered in Neckarsulm near Stuttgart, Kaco has businesses in 16 countries, with its production facilities in Germany, the Americas and Asia having produced inverters with a total capacity of around eight GW since 1999.

Who makes German solar inverters?

Headquartered in Niestetal near the city of Kassel in northern Germany, the SMA Group is easily the biggest player in the German solar inverters, a key unit of all PV plants. Moreover, its total turnover of about €1 billion in 2015 also makes it the market leader globally.

What is the most powerful solar module in Switzerland?

Find out everything about the M490, our most powerful solar module in Switzerland, which perfectly combines efficiency and aesthetics. Bifacial modules use not only direct sunlight on the front side, but also indirect and diffuse light on the rear side. Your Swiss solar manufacturer for innovative solar modules and photovoltaics.

Why should you choose Swiss Solar AG?

The state of the art design of solar the packaging and solar modules makes the product emotionally attractive to the most demanding customers. Stylish packaging sets the product apart from other producers. To be part of SWISS

SOLAR AG is to always be ahead.
