

## SolarInvert Energy Solutions

# Tanjun Wind and Solar Energy Storage Power Station in the Democratic Republic of Congo

## Overview

---

The following page is a list of power stations in the . As of December 2015, installed electric generation capacity totalled 2,442 megawatts, but only half that capacity is functioning.

## Tanjun Wind and Solar Energy Storage Power Station in the Democratic Republic of Congo

### A Review of Energy in the Democratic Republic of Congo

The Democratic Republic of Congo (DRC) is currently experiencing a general energy crisis due to the lack of proper investment and management in the energy sector.
