

## SolarInvert Energy Solutions

**There are several types of photovoltaic curtain walls**

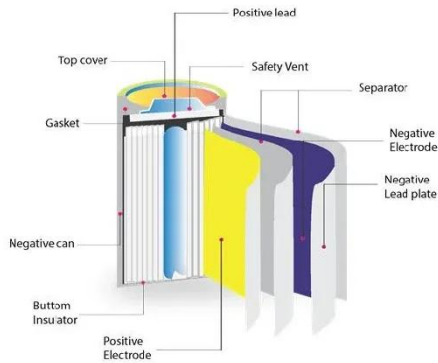

## Overview

---

Three primary types of curtain walling systems are “stick systems,” “unitized systems,” and “bolt-fixed glazing.” Modern curtain walls offer benefits such as enhanced natural light, energy efficiency, versatility in design, and noise reduction.

## There are several types of photovoltaic curtain walls

---

### 2019 ET Nov\_Dec.Webpdf.pdf

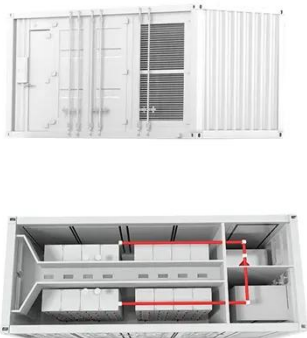

There are two basic labor rates applied to the fabrication and installation of most curtain wall store-front systems and it also depends on the types of curtain wall system.
