Overview

What is Tonga's first large scale battery energy storage system?

Tonga's first large scale Battery Energy Storage System to be built at the Popua Power Station, contributing to Tonga's 50% Renewable Energy target. Akuo Energy SAS (Akuo Energy) is a renewable energy company that develops, finances, builds and operates renewable energy power plants.

What is Popua power station – battery energy storage system?

The project was announced in 2018 and will be commissioned in 2021. The Popua Power Station – Battery Energy Storage System is being developed by Akuo Energy. The project is owned by Akuo Energy (100%). The key applications of the project are renewable energy integration, electric energy time shift and grid support services.

What is the Tonga energy road map?

The Tonga Energy Road Map (2010–2020) was instrumental in reducing Tonga's dependence on fossil fuels and increasing energy access and affordability.

What should I do if the power is out in Tonga?

If your power is out in Tonga, contact Tonga Power's emergency line 944. Our customer service staff will happily assist you. Tonga Power is committed to providing electricity that is safe and reliable for the people of Tonga.
