

SolarInvert Energy Solutions

Venezuela wide temperature lithium titanate battery pack

Overview

As a specialized Lithium Titanate Battery, it delivers unwavering power from -30°C to 55°C. Whether your handheld terminals face icy warehouses or industrial gear endures scorching sites, this 48V Wide Temperature Battery Pack ensures non - stop operation.

Venezuela wide temperature lithium titanate battery pack

High Rate & High Voltage

We will assemble the lithium titanate battery (LTO) packs in series or parallels, that can be customized to different shapes, voltage, capacity for making best use of internal mechanical ...
