

SolarInvert Energy Solutions

Vietnam Customized Energy Storage System Manufacturer

Overview

Did Marubeni launch a megawatt-scale battery storage demonstration project in Vietnam?

The project's official inauguration event held in December. Image: VinGroup. A green energy subsidiary of Japanese conglomerate Marubeni has brought online a megawatt-scale battery storage demonstration project in Vietnam.

What is VinFast energy's Bess project?

VinFast Energy's domestically manufactured BESS features high energy density, liquid cooling technology and parent company VinGroup likewise aims for the project to showcase what the manufacturer can do.

How much solar power does Vietnam have?

Vietnam's Eighth National Power Development Plan, published in 2023, also acknowledges that the country's solar potential is an estimated 963GW of capacity, and the government has since made moves to provide offtake tariffs and better enable onsite self-consumption.
