

SolarInvert Energy Solutions

Vietnam New Energy Storage Container

Overview

Hanoi, June 26, 2025 – Amid a strong energy transition and Viet Nam's efforts to fulfill its commitments toward achieving net-zero emissions by 2050, the research and deployment of Battery Energy Storage Systems (BESS), along with their integration with renewable energy solutions, have become an urgent necessity.

Vietnam New Energy Storage Container

Desay Showcases High-Safety, High-Capacity Energy Storage Tech in Vietnam

The company presented its self-developed energy storage cells, residential and commercial storage systems, and containerized C& I solutions--garnering strong interest for ...
