

SolarInvert Energy Solutions

Western Energy Storage Container Company

Overview

Who is Western Container Corporation?

We've built strong partnerships with the world's top paper tube designers and paperboard manufacturers, to make sure our products incorporate the latest, most cutting edge advances in the industry. Contact Us Today! Western Container Corporation is located in Beloit, Wisconsin and is a premium manufacturer of both paper tubes and paper cores.

What energy storage container solutions does SCU offer?

SCU provides 500kwh to 2mwh energy storage container solutions. Power up your business with reliable energy solutions. Say goodbye to high energy costs and hello to smarter solutions with us.

What is a mobile energy storage system?

On the construction site, there is no grid power, and the mobile energy storage is used for power supply. During a power outage, stored electricity can be used to continue operations without interruptions. Maximum safety utilizing the safe type of LFP battery (LiFePO4) combined with an intelligent 3-level battery management system (BMS);.

How can a mobile energy storage system help a construction site?

Integrate solar, storage, and charging stations to provide more green and low-carbon energy. On the construction site, there is no grid power, and the mobile energy storage is used for power supply. During a power outage, stored electricity can be used to continue operations without interruptions.
