Where can I buy outdoor power supplies in Niue

Overview

Does Niue have a power outlet?

Niue's electrical current is 230 V AC 50 Hz, with power outlets being Type I (i). That's the same outlet that New Zealand, Australia and China, so if you are from one of those countries, you are good to go!.

Do I need a USB outlet in Niue?

While USB outlets are becoming more and more available across the world, you will rarely find them in Niue, so they should not be relied on for power. Some travel adapters, like this OREI Travel Adapter, have two USB inputs on them and are recommended if most of your appliances require a USB input.

What is the plug type in Niue?

In Niue, the power plugs and sockets are Type I. It has three flat pins: two angled ones and one straight one. Note that some appliances don't have that straight bottom pin but they are still compatible with Niue's electrical outlets.

What is the electrical current in Niue?

In Niue, the electric current is 230 V 50 Hz. This means that the electrical current is 230 volts with 50 cycles per second. If your country of origin uses a voltage that ranges between 220 and 240 volts, then you will be able to use your electrical appliances in Niue with no problem at all.

Does Niue have a travel adapter?

It has three flat pins: two angled ones and one straight one. Note that some appliances don't have that straight bottom pin but they are still compatible with Niue's electrical outlets. If you have visited any of the following countries, chances are that you already have a travel adapter that will work in Niue.

Where to buy Niue shirts?

Visit Tahiono Art Gallery to explore the stunning paintings and prints by Mark Cross. While you're there, be sure to admire the incredible artwork of Jack Feleti, crafted from exquisite ebony wood. Taoke Prints offers a variety of printed Niue shirts, pareus, bottles and lanyards, making it the perfect shop to pick up unique souvenirs.
