What are Lista electrical cabinets?

LISTA electrical cabinets are perfect for the safe, personal storage of battery-powered devices of all kinds. These robust all-rounders are ideal for offices and administrative functions, schools, universities and other public buildings.

Where will a battery energy storage system be built?

The battery energy storage system (BESS) will be built at the Auvere industrial power plant complex in Ida-Viru county and will help balance the country's grid, state-owned utility Eesti Energia said today (30 January).

What is a Lista e-bike charging station?

Configure now! Thanks to its high resistance to light and weather, the LISTA e-bike charging station is ideally suited for the central supply of e-bike and pedelec batteries for outdoor use. Each compartment has a power module with two fused sockets.
