Zambia Energy Storage Project Construction Plan

Overview

What is the power planning roadmap for Zambia?

The publication of this document marks a pivotal step towards a sustainable and diversified power future for Zambia. This comprehensive 30-year electricity planning roadmap will ensure that Zambia is equipped to meet the growing power demands of its dynamic society.

When is the Integrated Resource Plan (IRP) launching in Zambia?

Two Approved by the Cabinet in November 2023, the Ministry Energy's Integrated Resource Plan (IRP) for the electricity sector is officially launching on Feb 13, 2024. The publication of this document marks a pivotal step towards a sustainable and diversified power future for Zambia.

What is a social safeguards framework for Zambia?

Furthermore, it introduces the first Social Safeguards Framework for Zambia, proposed for application in all energy infrastructure projects to prevent adverse impacts and maximise the positive effects of these projects on Zambia and Zambians. The development of the IRP has been funded by UK International Development from the UK government.

Zambia Energy Storage Project Construction Plan

Zambia normal new energy storage project energy storage ...
